**WEEKLY MIRACLE**

This week marks the beginning of a kind of “liturgical detour.” We have been listening to Saint Mark’s Gospel during this liturgical year (Year B). Today we begin to hear a long section from John’s Gospel, starting with the miracle of the multiplication of

the loaves and fishes. This miracle story is a prelude to the Lord’s statements that we will begin hearing in a few weeks, in which Jesus refers to himself as the “bread of life.” Each week we witness a miracle at Mass. We do not see a multiplication of loaves before us. What our eyes of faith allow us to see is the miracle of the transformation of common elements—bread and wine—into the Lord’s Body and Blood. Once we have received the Lord, the multiplication begins, for in the Eucharist we are strengthened to multiply our efforts to feed the poor, shelter the homeless, and bring comfort to the despairing.

**SCHOOL SUPPLY DRIVE**

Last year’s school supply drive was an amazing success. We took supplies to 3 elementary schools and 1 middle school in our area. The supplies were appreciated and I was privileged to see some of the students called in to get new supplies. It was heartwarming. They were so happy to get them! When you are out shopping, please buy a few school supplies, if you can, to help the students in need in our neighborhood. They can use pencils (regular and colored), pens, markers, crayons, paper, folders, binders, notebooks and backpacks. If you have any questions, call Mary Lou at 488-3213.
